## CHAINS & CORDS CATALOGUE

# essentials.

**Prooptica Essentials** is a brand of equipment and tools for optician's workshops that is based on the trends and business models of the most diverse markets and cultures to offer a **diversified product portfolio**.

The know-how in the production and manufacture of optical products is one of the main reasons that allows the brand to combine the quality of the offer at the best price with a broad and objective portfolio.

The ease of ordering and the transparent price assure agility and efficiency in the logistics process.
